Leopard Solutions offers strategic search solutions for every facet of your business. Our products deliver prospective candidates, jobs and an overview of the legal industry that can help you work more efficiently and profitably. The Leopard List is a comprehensive database of essential candidate data from over 1300 top law firms, consisting of over 129,000 associates & partners from

Atlanta, Baltimore, Boston, California, Chicago, Connecticut, D.C., Denver, Florida, Las Vegas, Minneapolis, North Carolina, New Orleans, New Jersey, New York, Philadelphia, Phoenix and Texas.

2011 will bring new areas to the Leopard List and Leopard Job Search as we continue to grow! Our system is the most updated, complete & comprehensive data product available. Leopard Job currently looks at over 600 law firms and 80 Fortune 500 companies twice a day, Monday through Friday. The jobs are posted in our search engine and emailed to you each morning & afternoon detailing new, closed or modified jobs that have been added to the system. The product is integrated with your Leopard List subscriptions & provides 'matching candidates' for each open job in the system.

Leopard Reporting is the single most effective way to keep on top of what is happening within the legal industry. Clients may run Firm Reports, History Reports, Practice Area, School & Comparison reports. It is not a once a year snapshot, but a live feature that is updated twice a month, along with our Leopard List databases. Job reports will give you an overview of all open jobs in the system by firm, practice area & region. Job reports are informed daily by our Job Search program.

Leopard Job Board is currently a FREE job board to help connect recruiters & job seekers. ALL legal recruiters receive 5 free listings each month – our clients receive 25, along with 200 resume search credits. Just register as an employer on our site & post your free jobs! FREE Legal Recruiter Directory Listings-every legal recruiter in the country is invited to participate. Basic listings will never incur a charge-to help us build the most complete directory available. Leopard Solutions offers you exclusive information not available from any other source. We offer NALSC members a special 10% discount on our product line.

The Independent Recruiter's Resource for Temporary and Contract Placements®

TFI Resources is a multi-state payroll service providing a full range of services to recruiters in the temporary, contract, and permanent placement industry by providing employer of record service, payroll funding, and payroll processing. Many independent recruiters utilize TFI to expand their business to include temporary and contract placements while mid-size and large staffing firms use TFI to serve as employer of record for temporary and contract placements in states where they are not registered or licensed to do business.

TFI provides payroll funding and a full range of back office services including payroll processing, invoicing, benefits, insurance, credit analysis, and collection assistance. TFI usually becomes the employer of record, but similar funding and processing services are available when the recruiter/staffing company prefers to retain this responsibility.
